Specially prepared by Stassen, this sales-making catalog is well illustrated in true color. All Tulip, Daffodil, Hyacinth, and other Holland bulbs are proved best sellers. The retail prices as quoted in this catalog are truly competitive and compare very favorably with other leading bulb houses! Stassen makes these catalogs available to you with your own name and address imprinted exclusively on the cover!

✓ **Nurserymen, Landscapers!**

✓ **Florists, Seed and Garden Supply Stores!**

Display the colorful catalog in your store. Have a supply on hand of the fastest-selling varieties of bulbs in bulk, or in the convenient VISU-PAKS. Full-color reproductions of paintings of Tulips, Daffodils, etc., colorful bin cards, streamers and planting instructions are also supplied at no cost.

✓ **Best Quality Bulbs Top Sellers All**

Stassen provides you with the best bulbs obtainable and at truly competitive prices. Our wide experience has taught us to know the exact top-quality size for each class and variety of bulbs and just what size will produce the best possible flowering results for garden planting. Mail Order Service

Holland bulbs have for years been a practical type of merchandise to sell by mail. The Stassen Plan is particularly adapted to this method of selling. Even if you do not have any experience or knowledge of Holland bulbs, your valuable mailing list will bring you additional returns by offering bulbs through the retail bulb catalog we have prepared for you.

This catalog folds to a self-mailer to take the minimum postage. An order blank is printed on the last page for easy ordering.

HOW THE MAIL ORDER SERVICE WORKS

Distribute your Retail Bulb Catalog to your customers and prospects.

When you receive the orders from the catalog, merely send a copy of the order with your shipping label containing customer's name and address to STASSEN. We pack and ship your orders promptly under YOUR LABEL direct to your customer, no matter how large or small the order. All orders are shipped PREPAID. Stassen pays the postage or expressage.

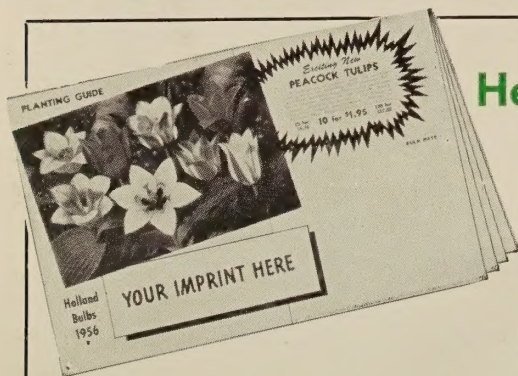

Shipping season is from the beginning of September to the end of November.

Your customers will be satisfied because only first-quality, sure-to-bloom bulbs are selected and shipments are handled by experts.

Planting instructions are included with every shipment.

40% DISCOUNT

You earn 40% profit of the total retail value of the orders. You will be invoiced after shipments have been made for 60% of the total retail order amounts. There will be no additional charges, as Stassen pays for all handling and transportation charges.

Here is Your Own **STREAMLINED CATALOG**

(Folds to 6¼ x 9½ in.)

**IMPRINTED WITH
YOUR NAME
AND ADDRESS**

\$65.00 per 1000 Copies

\$36.00 for 500 Copies

WITHOUT IMPRINT \$7.50 per 100 Copies

This year, the 6-page full-color catalog is also offered as a Planting Guide including sales-provoking information. A "Single Price" policy, covering most named varieties, simplifies ordering and should increase unit sales.

You'll find this catalog designed for your own use—just the thing for handing out to visitors, enclosing with orders, etc., as well as for customer mailings, giving you double value for less money.
